Experience

3D Modeler, Antiquity Stone LLC Jeff Koons Morrisville, PA 19067 May 2015 – Present
Polygonal models require sectioning and editing for cnc milling. Working in Zbrush,
Polyworks, Rhinoceros, T-Splines, Powershape and more, creating 3D mesh and
nurbs surface models.

Business Owner and Freelancer, Corinne Hansen Levittown, PA. May 2013 – Present
I create 3D models and fix existing files based on individual projects.
Working closely with individual employers, files are completed quickly with precision.
I also sell my own work through online shops.
